

GLENDALE COMMUNITY CLEANUP

Hey Glendale and surrounding communities! Each year the City of Calgary **Waste & Recycling Services** and **Community Strategies** partner up with community associations to help residents get rid of unwanted household items and property waste.

This event saves residents a trip to the landfill for items that do not fit in their black carts and for residents that do not have cart service by providing three packer trucks with crews. Compost trucks will not be present, please use your green bin.

This service is free to all Calgarians.

The following items **MAY NOT** be brought to the cleanup site:

- Tires
- Home Appliances
- Paint
- Household Chemicals
- Propane Tanks
- Microwaves
- Car Batteries
- Glass
- Liquids
- Railroad Ties

*Visit Calgary.ca/cleanups for more information!

Please note that this year we will be offering additional services including metal and electronics recycling. Check our website for more information!
